Our Reference: A1697div3

Dear Ms. Wilson:

Per your request for our assistance in reconstructing the PTO file for the subject application, we sent, via email, a scanned copy of the file wrapper for the application to you. Unfortunately, the size of the scanned document was too large, and was not accepted by the PTO email server. Thus we enclose our copy of the file history for your reference.

Please do not hesitate to contact us if you have any questions.

Sincerely,

Donald E. Stout
